

The **TrainingFinder Real-time Affiliated Integrated Network (TRAIN)** is the nation's premier learning resource for professionals who protect the public's health and safety. **KS-TRAIN** is comprised of the national www.train.org site with additional training added by Kansas partners, including the Kansas Department of Health and Environment, Kansas Division of Emergency Management, the University of Kansas, plus other state and local organizations.

TRAIN is a project of the Public Health Foundation that was initially funded by a grant from The Robert Wood Johnson Foundation, participating states, and the Centers for Disease Control and Prevention (CDC).

Because all TRAIN sites are connected, KS-TRAIN users can access information about state, local, national, or international training available to them through any participating TRAIN site. Currently TRAIN has 23 state affiliates as well as the Medical Reserve Corp and the Division of Global Migration and Quarantine at CDC.

Learners can use KS-TRAIN to:

- Search or browse the nationwide database for on-site or distance learning courses
- "Course Search" then "Browse Kansas" for just Kansas courses
- Sign up for emails about new courses
- Create a personal learning record of competency-based training
- Provide and view feedback about courses listed on the site
- Register online for courses or conferences

Course Providers can use KS-TRAIN to

- Efficiently publicize courses to thousands of TRAIN users through multiple web sites – enter course information once (not dozens of times) and it automatically goes to all participating TRAIN sites
- Manage online registration and student rosters
- Collect feedback from learners online
- Post course materials and discussion topics
- Develop training plans
- Conduct course pre/post assessments

The KS-TRAIN site at <http://ks.train.org> is open to the Kansas public health and safety workforce. Users can search the directory and pursue a number of educational offerings available through multiple types of media. Please take time to create a user account today.

For further information contact the KS-TRAIN Administrator, Debbie Nickels at dnickels@kdhe.state.ks.us, or 785-291-3457. Additional user support is available thru the helpdesk@kdhe.state.ks.us, or 785-296-5655.
